To Whom It May Concern:

Mothers Against Drunk Driving (MADD) is hosting their annual Walk Like MADD event once again and is looking forward to ConSoulTant (CST) as our main performer, having had her “wow us” at our last walk, October 2, 2010.

We have found ConSoulTant (CST) to be very professional and tremendously supportive for an artist who was volunteering her time for MADD. I have not known many artists who believe in going beyond the call of duty. It was admirable and commendable when she asked to help with the distribution of flyers to the public to promote our walk.

ConSoulTant (CST) has shown that you can rely on her when she is committed to a project. She produces great work and the quality is very refreshing. She seems to take time to understand who the audience is she is performing to.

There is no doubt in our minds that we have made the right decision to bring her back to perform at our annual Walk Like MADD 5k event. For that reason and the many listed above, we strongly recommend her to any organization, group or anyone requesting her talents. Thank you.

Sincerely,

*Michael Roberts*

Development Officer

To Whom It May Concern:

On behalf of the Juvenile Diabetes Research Foundation, I would like to write a letter or recommendation for the ConSoulTant. We were fortunate enough to have Selita perform at two of our Atlanta area walks in the fall of 2011 and she was such a treat! Our 10,000 walkers loved her enthusiasm, smile, performance and song selection. She was a great motivator for our cause and I would highly recommend her.

Please do not hesitate to contact me with any questions you may have.

Kind Regards,

Anna Bryan
